FD CLASS OF AD7 INC

Hafa Adai Friends,

We are excited to announce the 2nd Annual Par Tree Golf Tournament. The tournament will be hosted by the FD Class of AD7, Inc and held at the Country Club of the Pacific (CCP) on **April 7, 2018**. We are a non-profit Group raising funds for the FD Class of AD7 James Tuquero Memorial Scholarship. The funds will go directly to our goal of establishing a 25K scholarship fund managed by the FD Endowment Foundation. Once our goal is reached, it will provide a scholarship for a student to attend Father Duenas Memorial School for years to come. We raised \$8700 towards the scholarship last year because of your support and generosity.

As many of you who generously supported our tournament last year know, it is a great way for sponsors to market and promote their business by having exclusive rights to 1 (or more) of 18 holes. Once again, our goal is to have as many Hole-in-One sponsors as possible. At the same time, we will offer sponsorship packages for businesses to sponsor an individual hole and have the same exclusivity for the entire hole.

We will also have our signature “Best Hole Experience” award presented to the sponsor and their charity of choice, which will be voted on by competing golfers. The defending champs, Matson and iCan really set the bar high last year and we are looking forward to seeing what everyone can think of this year. **The FD Class of AD7 will award \$1000 to the winning sponsor’s charity of their choice based on the vote results.** The goal is to have sponsors team up with a charity or NPO to create fun activities for the golfers. In return, the sponsors and their chosen charities have a chance to market their product and spread awareness for the charity.

Our target is 144 golfers to participate in the event. The idea of having a chance to win something at each of the 18 holes is the driving force behind this tournament. We are confident we will have max participation due to the feedback we received last year. The excitement of something new and different for Guam golfers was highly successful. It also offers an opportunity for people interested in golfing to come out and experience a much shorter and entertaining game.

We have chosen CCP Golf Course again this year because they really did a great job last year. The CCP Golf Course has ensured us that they are flexible to what can be done at each hole with their approval. This creates potential for sponsors to showcase their products in a way that has not been seen on Guam yet. When we say exclusive rights to the sponsored hole, we mean the entire hole (original Tee Box to Green). It was amazing seeing all the vehicles and signage on display throughout the course. We hope to take that experience to another level this year. Hoping to see a party at every hole!

If you are interested in supporting us in this worthwhile event please see our sponsorship packages on the next page. We look forward to working together to having a successful golf tournament.

FD CLASS OF AD7 INC

Additional Information

Possible hole setup scenarios:

Hole-in-One sponsor provides a vehicle for hole #1
Teams up with 2 other sponsors for that hole and a charity

Example: Dealership XYZ recruits Subway and Mange Pops to have people and their products available at hole #1. They choose Salvation Army as their charity. Salvation Army also provides volunteers to work the hole.

Together they create a fun atmosphere for the golfers while showcasing their products and charity cause.

- Fairway leading up to the Par 3 Tee box is lined with a few cars to include the hole-in-one prize.
- Golfers waiting can take a look at the cars, have some sandwich samplers and enjoy a Mange Pop.
- The Salvation Army could have a Chipping game with an entry fee to win a prize and keep the proceeds.
- Salvation Army can have awareness pamphlets for their cause available

Example #2

Regular Hole Sponsor

Ambros teams up with Mainstreet and chooses the Women's Tackle Football League as their charity.

- Ambros sets up a Closest-to the pin contest
- Winner gets a Giant Bud Light Chair
- Mainstreet provides sampler food
- Ambros has new products for golfers to sample
- Women's tackle football team setup games to raise money
- Examples:
 - Longest football throw
 - Kickoff to the green win a case of Kona Longboard
 - Putting contest

The bottom line is that if you sponsor a hole (hole-in-one or regular) the main sponsor has exclusive rights to the hole. You can bbq, put a band out there, have revving motorcycles, team up with smaller sponsors---**YOU OWN THE HOLE.**

The only caveat is asking for monetary donations (Jar, bucket) from the golfers will not be allowed. The only way money can be collected/raised is through a game.
