

**FATHER DUEÑAS MEMORIAL SCHOOL**  
**Endowment Foundation**

January 5, 2018

“Time has a way of showing us what matters in life!”

Dear FDMS Alumnus:

Each of our lives is a story to be told. Whether or not we write about them, in the end we are all remembered for our acts—for the lives we touch and by the causes we advance. In that light, we invite you to consider creating a lasting legacy by including the Father Dueñas Endowment Foundation (“Foundation”) in your long-term plans.

The word “Endowment” means that your gift will be managed by the Foundation and invested for the benefit of Father Dueñas Memorial School (“FDMS”), its students and its faculty. The earnings from these investments will help provide financial support to deserving students, to continue the development of faculty capacity and other worthy causes.

Endowment gifts take many forms.

To learn more, please look at the attached document or return the enclosed confidential response card. Or, you may contact Felix Reyes, FDMS ‘74, Executive Director at the Father Dueñas Endowment Foundation, by calling +1.671.483.1904 or email [felix.reyes@fdendowment.org](mailto:felix.reyes@fdendowment.org).

The Father Dueñas Endowment Foundation is registered with the IRS and the Guam Revenue and Taxation as a 501(c)3, non-profit organization.
